## Class

# 10<sup>TH</sup>

is the most important milestone in students journey in school as it's the formal standard that helps a student decide the future career plan. Class 10<sup>th</sup> students can decide which subjects to opt for in class 11<sup>th</sup> & 12<sup>th</sup> the subjects that will help them shape their future career path. Therefore the marks obtained in class 10<sup>th</sup> pays a significant role.

With Exam Prep + program we assure the students an A+ grade in subjects like

### SUBJECTS:

- Hindi
- English
- Maths
- Science
- Social science

## Class

# 12<sup>TH</sup>

is a very important class in students life because on the basis of the 12<sup>th</sup> marks students can get admission in good universities and further decide their career path.

We Guarantee A+ grade with our **EXAM PREP + PROGRAM, FULL REVISION IN 5 MONTHS**  
A complete solution to all subject problems.

### SUBJECTS:

- English
- Maths
- Accounts
- Economics
- Physics
- Chemistry
- Biology
- Geography
- Business studies
- Political science
- Sociology

### Benefits to students

- Best subject teachers with more than 20 + years of experience
- Live classes + recorded classes
- 24/7 Teacher support for doubt solving
- Small class batch
- 5000+ digital content
- Previous years papers and mock test
- Level of self assessments like easy, moderate and hard
- Concepts explained through 3D videos
- Best Subject notes
- 540,000 questions in question bank
- 6000+ experiments 3D videos

## Question Bank

There are over 540,000+ subjective and objective questions in the question bank, most of which are mapped according to the grade, subject and topic. Teachers can also add their own questions, which can be shared within the school.

The questions can be used to drive in-class engagement as well as to create new assessments.

### Questions to be used in the classroom

Both lesson-level and chapter-level, subjective and objective questions are available for the teachers to conduct a quick recap and gauge students' understanding of the concepts taught.

Besides end-of-the-chapter assessments, there are also interactive assessments like crosswords, match the following, etc. to drive engagement in the classroom.

### Question paper

Question Bank					
Board: CBSE	Class: VIII	Subject: Computer Science	Chapter: Programming In C++	Lesson: Introduction To Program...	Search by Question
S. No	Question	Difficulty	Marks	Time (min)	Type
1	In C++ _____ operator is used for Dynamic memory allocation?	Easy	01	05	MCQ
2	Operators such as _____ cannot be overloaded?	Medium	10	10	MCQ
3	The _____ objects have values that can be tested for various error conditions?	High	15	20	MCQ
4	Which function return the current position of the get or put pointer in bytes?	Medium	20	30	MCQ
5	Everything defined at the program scope level (i.e. outside functions and classes) is said to be _____	Easy	50	60	MCQ

Teachers can create assessments by pooling questions from the question bank available in the TeachNext

server. Questions are available in various formats such as essay-type questions, short-answer questions, match the following, fill in the blanks, multiple choice questions, puzzles etc.

These assessments can help teachers gauge students' learning gaps, which they can remedy in their successive classes.

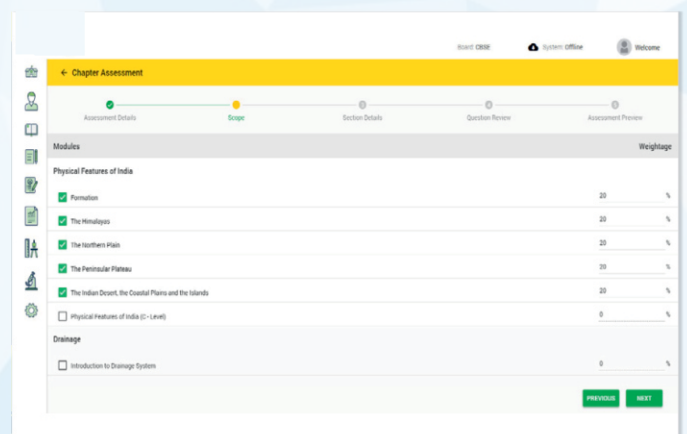

### Board papers

Solved CBSE board papers are available on These can help students with practice and revision before their board exams.

### Automatic assessment creation

On entering specific criteria such as marks, difficulty level, duration, etc., assessment papers gets automatically generated in the

Teachers can take printouts of this question paper and use it for various purposes such as giving homework to students.

# Stimulating animations

- 2D Animation
- 3D Animation
- Stop Animation
- Craftmation
- Claymation
- Real-life videos
- Hands-on experiments
- Interactive Assessments
- Interactive Simulations
- 3D Experiments

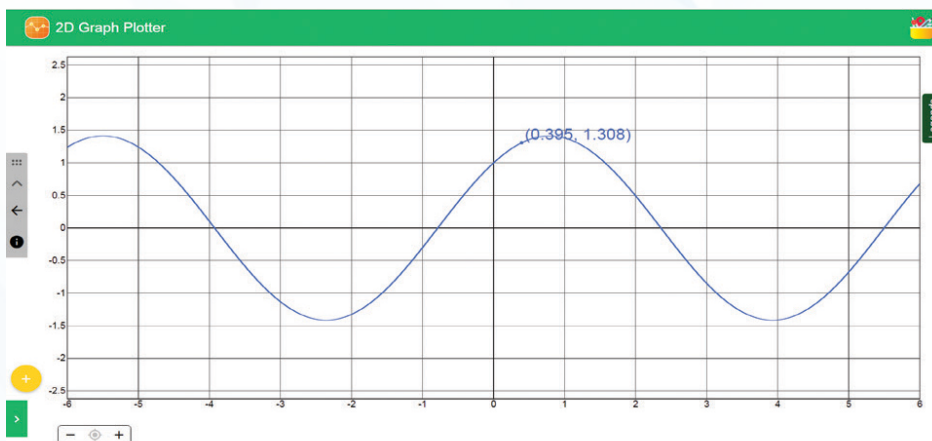

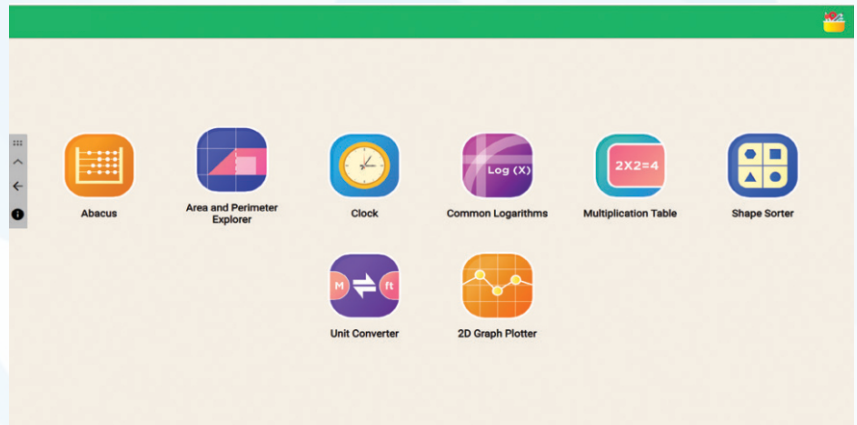

# Integrated Tools

Quality content integrated with the right technology creates magic

## Maths

### Available tools (8+)

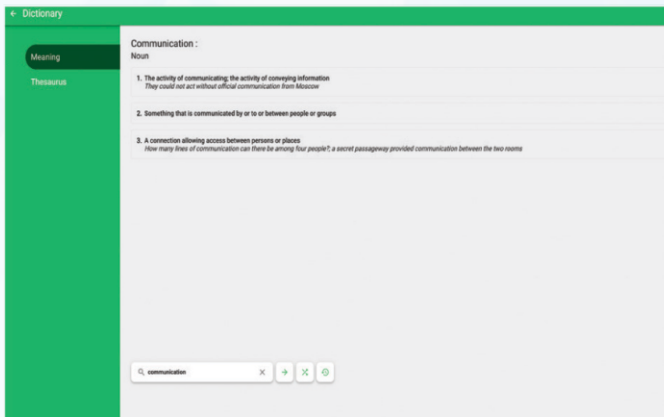

CONCEPT	Level 1	Level 2	Level 3	Level4	Level 5	Level6	Level 7	Level 8
Nouns	naming words	common nouns and proper nouns	irregular plurals	abstract nouns	gerunds	plural nouns subject-verb agreement	count and uncount nouns	nominalisation
	singular/ plural	count and uncount nouns	collective noun					
	gender nouns	plurals

These tools help improve students' vocabulary and pronunciation.

### Available tools (2)

## Social Science

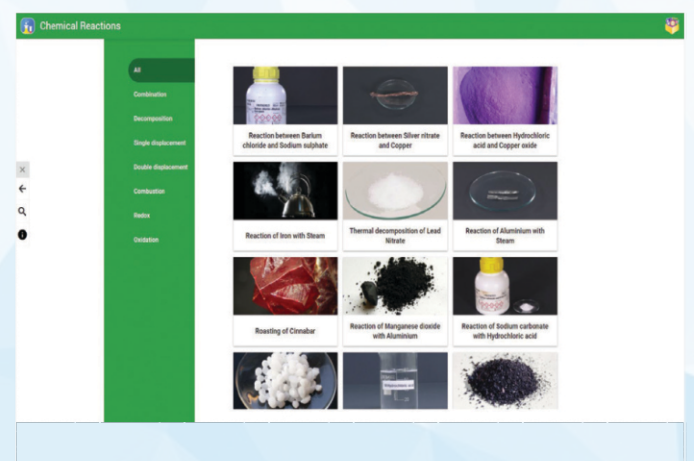

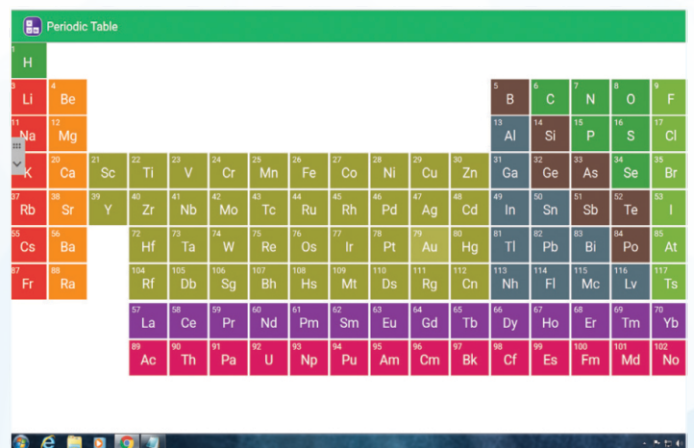

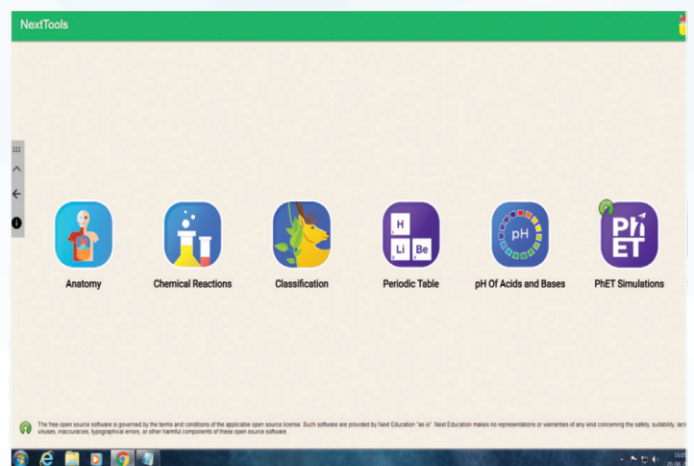

### Available tools (4)

## Science

A wide variety of tools are available, from elaborating the chemical properties of each element to balancing chemical equations, which makes learning science an interactive experience. Detailed diagrams of body parts, classification of living organisms, etc. are also available for reference.

### Available tools (8+)

## Automated Course Management:

It is loaded with pre-created lessons and course plans mapped to various Indian and international curricula. Personalised content delivery ensures that each student's knowledge gets addressed.

The screenshot displays the 'Course Details' page for 'X - F Maths'. The interface includes a top navigation bar with icons for Summary, Details, Assignment, Analytics, Exam Corner, Library, and Settings. Below this, a horizontal menu shows 'TEACHING PLAN', 'RESOURCES', 'CONCEPTS', 'QUESTIONS', 'EXTERNAL CONTENT', and 'LIVE LECTURES'. The 'RESOURCES' tab is active, showing a list of resources under the 'CLASSROOM' and 'ASSIGNMENT' sub-tabs. The 'CLASSROOM' sub-tab is selected, displaying a list of resources including '1. Real Number System.JPG', '2. Euclid's Division Lemma', '3. Algebraic Identities - Examples', '4. Properties of definite integrals - II - Explanation', '5. Live Lecture - 1151765, 13th Aug 23:49', '6. Live Lecture - 1151774, 13th Aug 23:53', '7. Live Lecture - 2391203, 14th May 08:12', and '8. Live Lecture - 2391229, 14th May 08:37'. A sidebar on the left lists chapters such as 'Real Numbers', 'Polynomials', 'Pair of Linear Equations in Two Variables', 'Quadratic Equations', 'Arithmetic Progressions', 'Triangles', 'Coordinate Geometry', 'Introduction to Trigonometry', and 'Some Applications of Trigonometry'.

## Auto-Recorded Live Lecture:

Facilitate an interactive and engaging virtual classroom with the best video-conferencing platform — Zoom. Students have unlimited access to auto-recorded lectures so that they never miss another class.

The screenshot shows a Zoom video conference interface. On the left, there are three video thumbnails of participants: a woman, a girl, and a boy, all wearing headphones. The main video area displays a lecture titled 'STRUCTURE OF A HUMAN EYE' with a diagram of a human eye. Labels point to various parts of the eye: Sclera, Ciliary Muscle, Iris, Crystalline Lens, Cornea, and Aqueous Humour. On the right, a sidebar shows a list of lecture topics, including '1. Closure Property Of Rational Numbers' and '2. Closure Property Of Rational Numbers - Coursebook Exercise'. At the bottom, the Zoom interface shows 'Participants: 1/44', a 'Live Chat' button, a 'LEAVE LECTURE' button, and a timer indicating '00:01:40'.
