FOUNDATION PREP + PROGRAM

This program is a combination of grade Nursery + Kg1 + Kg2 for a strong foundation for your child getting ready for formal school or grade 1. A strong learning foundation is very important for every child so that they can perform well in higher classes.

**The overall purpose of
FOUNDATION PREP + PROGRAM
is to develop children's
literacy and numeracy skills
(reading, writing, speaking, listening
and computational skills) and other skills
and understandings that prepare young
growing children for grade 1.**

OUR AIM

- ★ We aim to enable the child to realise his or her potential as a unique individual.
- ★ Our core academic team has more than 40+ years of experience.
- ★ Small class so that every child gets attention.
- ★ Live classes + recorded classes.
- ★ We aim prepare the child for further education & lifelong learning through play based learning methods.
- ★ Our teachers have more than 10+ years of experience & specialised in primary education.
- ★ Our teachers observes each child and clears the doubts and learning gaps personally.

**Every Child Is Important
And So Are Their
Learning Needs
We Make Sure Every
Child Gets Attention.**
